No account or credit card is required to get started. Our service is completely free for everyone. Any file in any format can be uploaded and downloaded forfree. Unfortunately, we can't make that part free. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You cangive this download link to your friends by mail or instant messenger. You can upload any type of file (movies, music, documents, images, zip files and more). So try our free and simple filehosting service now. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. It is also allowed tolink to the download page from websites and communities. You don't need any special software installed to be able to download your files. Alternatively youcan choose to share your download links on blogs, forums and social networking sites. Why pay storage fees for a file that you just wanted to send to a friend orcolleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Your wallet will be none-the-lighter! Just so we'reall 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friendsdevice. The cost of that data transfer is covered by your internet service or the data plan on your phone. Files can be downloaded from any computer from ourhigh speed servers. Just upload the file you want to share with your friends and we send you a download link to your file. There are no restrictions on thenumber of times a file can be downloaded. You decide who you want to share your files with. File is free to use with no gotchas and no hidden fees. Keep yourfiles private, or send your download links only to friends or family. Simply upload your file and share the link. If only we could, we surely would! On the otherhand, using file can actually save you money. Using file, you can circumvent those limits without paying to upgrade your team chat service. filehos
